**Aberdare Town Football Club have a long and successful history and as a Club we want to return to those successful days of years gone by but to do that we want to get the local community behind us and join us on what promises to be a great journey.**

One of our ideas is to launch our '1892 CLUB' for the 2018/19 season which gives all those who enter the exclusive chance of seeing their name on the front of our Welsh League first team squads kit and if enough entries it may also include the Reserve team as well.

This would be a unique opportunity that not many non-league clubs have and is our first step on making a significant change.

Likewise we want to form links and partnerships within the local business community to come on board with us but more importantly we want the chance to talk to you and find out what we can do for you and how we can all help put Aberdare back on the footballing map.

It is a well established fact that a successful football club can aid the local community and with a thriving and expanding junior and girls section we are aiming to be right at the heart of our area. We aren't just a first team - we are one Club.

We feel that the '1892 Club' (named to celebrate our 125th anniversary) is a great way of also giving back to businesses by offering several prizes and ALL entries into the draw will receive two complimentary tickets to a match at the start of the season where there will be a reception and a chance for us to thank you for your support of the Club. Entrants will also be listed on our brand new website and in the matchday programme throughout the season.

Individuals can also join in, so its not just businesses who can enter, and they can choose a charity or other name to go on the kit.

Thank you for taking the time to read about our project and I hope you can help us make this a special year for Aberdare Town.

We would be delighted to hear from you if you have any ideas or comments about the Club so please email us at [info@aberdaretownfc.co.uk](mailto:info@aberdaretownfc.co.uk)
